

To the PDRA family

I want to thank my great friends for putting together a truly special day for me at the Lake Norman Quarry on June 22, 2008. Robert & Lisa Rollins (Lake Norman Dive Club) and Mac & Cathy Robertson (Eden Hydro-Jets) did an outstanding job in hosting this wonderful event in my honor. I also want to thank PDRA President Calvin Shaw, Vice President JD Emerson, Treasurer Garrett Van Dreel, Instructor Committee Chair and Event Photographer Jerry Sliker, Board of Trustees Dianne Weatherford and Jim Christopher and Board Members Susan Emerson and Kemet Gatchell for their attendance and kind words. The PDRA organization has been a part of me for almost 30 years and has always held a special place in my heart. Also, I want to thank the entire PDRA Board of Directors for bestowing the title of PDRA President Emeritus to me at their March 09, 2008 meeting. The wonderful embroidered shirt and jacket from the Eden HydroJet Club will always have a special place in my closet and when worn on diving occasions. The food prepared by the Rollins Family was the outstanding to go along with the wonderful weather for all.

Sincerely,

Roy Fielding
